

g1::package

```
graph BT; A[g1::controlled_package] --> B[g1::package];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text "g1::package". The bottom box is gray with a black border and contains the text "g1::controlled_package". A blue arrow points vertically from the top edge of the bottom box to the bottom edge of the top box, indicating a dependency or relationship from the bottom package to the top package.

g1::controlled_package
