

```
graph BT; A[g1::controlled_package] --> B[g1::package];
```

A diagram illustrating a dependency. At the bottom is a white rectangular box with a black border containing the text "g1::controlled_package". A vertical blue line with a triangular arrowhead points upwards from the top center of this box to the bottom center of a second box above it. The second box is gray with a black border and contains the text "g1::package".
